We are excited about the 2011 girls' basketball camp at Bridge Creek High School! Our camp will be a unique and enjoyable experience your kid. Although we have fun with games and competition, we take tremendous pride in teaching fundamentals of basketball. We believe it's' crucial to teach campers the basic fundamentals of shooting, passing, and dribbling. By the end of the week our goal is to make sure each camper had fun and can take the skills she's leaned and apply them to make her the best basketball player she can be. Last, I'd just like to say we recognize the fact that parents have many options when it comes to choosing basketball camps for their child. Our staff would like to personally thank you for choosing Lady Bobcat Basketball Camp, we believe our camp offers a unique experience that you won't be able to find anywhere else.
